A fascinating history of the Highland community

A History of the Highland District

Highland Heritage Park Society

Published to coincide with the 125th anniversary of the Caleb Pike Homestead, the first farm in the Highlands, Beautiful Rocks gathers the fascinating stories of the settlers who populated the small Highland community west of Victoria in the late 19th and early 20th centuries. Chapters on the geological origins of the rugged, rocky land and of the role the district played in the lives of the region's First Peoples set the stage for tales of pioneer life.

Published by the Highland Heritage Park Society. Retailing at \$29.95

8"x10" landscape, 181 pp., B&W, with colour maps and one colour illustration. Lavishly illustrated with period photos, documents and sidebar information.

Available at select Victoria bookstores (Munro's and Bolen's)
